

Passage plan

DESCRIPTION	VTS operator contacts the vessel Dentex to inquire about their passage plan.	
PARTICIPANTS	Vessel Traffic Service operator, Officer on the bridge	
PROMPTS	VTS	The VTS operator contacts the vessel.
	Vessel	The vessel acknowledges the call.
	VTS	He/she asks about their passage plan as they have to approve it. He/she has the passage plan that was sent at 15:59 but after that the vessel did not reply.
	Vessel	The officer tells him that they have already sent the passage plan at 16:41. They sent the screenshots and the waypoint list.
	VTS	They did not receive that plan. VTS requests the officer to resend the passage plan from Waypoint1 to Waypoint2.
	Bridge	The officer has to acknowledge the message.
