

Ship drills

DESCRIPTION	MV Seabass calls Koper Harbour Master to request permission to conduct a rescue boat and freefall lifeboat drill.	
PARTICIPANTS	Harbour Master operator, officer on the bridge	
PROMPTS	Vessel	Call Koper Harbour Master.
	Harbour Master	Answer the call and establish contact.
	Vessel	Request permission to conduct a drill. You would like to lower the rescue boat and freefall lifeboat to water level this morning.
	Harbour Master	Ask if the ship plans to manoeuvre the rescue boat.
	Vessel	Answer that there will be no manoeuvring, only lowering the boats to the water level for taking pictures.
	Harbour Master	Ask the ship to call you again when ready. You will give them this permission. However, they can only lower the freefall lifeboat by davit. They cannot lower it by freefall.
	Vessel	Confirm receiving the information provided by the Harbour Master.
	Harbour Master	Thank the ship. Politely close the call.
