

Vessel at anchorage for bunkering

DESCRIPTION	Vessel Angelshark calls VTS upon request, when entering anchorage area to inform they are in position and ask permission to drop anchor.
PARTICIPANTS	Vessel Traffic Services Operator, Officer of the watch
PROMPTS	VTS operator The VTS receives a call from a vessel entering anchorage area. The vessel calls upon request, to receive permission to anchor. The VTS does not give clearance but informs on two other vessels underway soon entering the anchorage area. The VTSO advises the vessel to move two more cables to the north, as the incoming vessels will need wide berth.
	OOW The OOW calls VTS upon request and asks permission to drop anchor. The vessel confirms the VTSO instructions and that they will do as advised.
