### Coordination of activities at pilot boarding station

DESCRIPTION	Sandybay VTS contacts MV Seabass to inform them that five persons will board the vessel at pilot station Alpha.	
PARTICIPANTS	VTS operator, Officer of the Watch	
PROMPTS	VTS	Establish contact with MV Seabass.
	Ship	Reply to Sandybay VTS and establish contact.
	VTS	Using a message marker, provide the ship with the following information: Five persons will board your ship at pilot station Alpha: the pilot on duty, the trainee pilot, and three officers of the maritime administration examination committee. Ask the vessel to read back this information.
	Ship	Use an appropriate proword, and read back the information provided. End the exchange.
