Entering Sector 5 of AdriRep

DESCRIPTION	MV Seabass contacts Sandybay VTS on VHF Channel 12 as she is entering Sector 5 of the Adriatic Reporting System. Sandybay VTS asks MV Seabass to state her call sign, and stand by on VHF channels 08 and 16.	
PARTICIPANTS	VTS operator, Officer of the Watch	
PROMPTS	Ship	Call Sandybay VTS and establish contact.
	VTS	Establish contact with MV Seabass. Ask for MV Seabass' call sign.
	Ship	Reply (LIF9).
	VTS	Appropriately confirm the call sign (LIF9) by reading it back.
	Ship	Inform Sandybay VTS that you are entering Sector 5. Use a message marker.
	VTS	Appropriately confirm the received information by reading it back. Inform the vessel to stand by on VHF channels 08 and 16.
	Ship	Appropriately confirm the channels to watch by reading them back, and close the exchange.
