## Berthing delay

DESCRIPTION	MV Ocean Pearl (call sign V7TR5) contacts the Harbour Master regarding a delay in berthing operations.	
PARTICIPANTS	Harbour Master, Officer on the bridge	
PROMPTS	Ship	Call the Harbour Master and ask about the berthing schedule.
	HM	Answer the call and request the vessel's name and berth assignment.
	Ship	Provide the vessel's details and assigned berth.
	HM	Inform the vessel that berthing will be delayed by three hours.
	Ship	Ask for the reason for the delay.
	HM	Explain that cargo operations at the berth are still in progress.
	Ship	Request permission to remain adrift until berthing time.
	HM	Grant permission and instruct the vessel to remain outside the fairway.
