## Engine malfunction

DESCRIPTION	MV Neptune (call sign 3ELO8) informs Rijeka VTS about reduced manoeuvrability caused by engine problems.	
PARTICIPANTS	VTS operator, Officer on the bridge	
PROMPTS	Ship	Call Rijeka VTS and report engine malfunction.
	VTS	Acknowledge the call and ask about the vessel's condition.
	Ship	Inform VTS that the main engine can only operate at half power.
	VTS	Ask whether tug assistance is required.
	Ship	Reply that tug assistance is not required at present.
	VTS	Ask about the number of persons on board.
	Ship	Report that there are 22 persons on board.
	VTS	Inform the vessel about nearby traffic and advise extreme caution.
	Ship	Acknowledge the traffic information.
	VTS	Request the vessel to report any further deterioration immediately and maintain listening watch.
