Oil spill reporting

DESCRIPTION	MV Horizon (call sign T9PQ6) reports a minor oil spill during bunkering operations.	
PARTICIPANTS	Harbour Master, Officer on the bridge	
PROMPTS	Ship	Call the Harbour Master and report an oil spill during bunkering.
	HM	Acknowledge the report and ask about the estimated quantity spilled.
	Ship	Inform the Harbour Master that approximately 50 litres of fuel oil were spilled.
	HM	Ask whether the spill has been contained.
	Ship	Confirm that absorbent materials have been deployed.
	HM	Request the exact location of the vessel.
	Ship	Provide the berth number and terminal name.
	HM	Inform the vessel that the pollution response team is on the way. Order the vessel to suspend bunkering until further notice.
	Ship	Read back the instructions and acknowledge.
